Re: Feedback on installation of your Vellux Wireless Paging System.

We refer to the above and would hereby like to express our complete satisfaction with your system and take the opportunity to congratulate you on an excellent and unique concept.

1. Your product is a stable, high quality system with the minimum problems.
2. After-Sales service was excellent.
3. Our monthly turnover has increased with over 25%.
4. We also had a 50% increase in our 'spend per head'.
5. We were delighted that our Dessert Menu was more popular because of better service by our waiters, due to your system.

Hope that we could continue with our excellent business relationship in future.

Yours faithfully
